"The Hidden Jewel of the Horn of Africa."

"Somaliland offers a captivating blend of history, culture, and natural beauty from the ancient ports of Xiis and Zeylac to the rock art of Las Geel, the beaches of Berbera, and the towering Golis Mountains. Its untouched deserts, coastal resorts, and nomadic heritage make it an emerging destination for eco-tourism, adventure travel, and cultural exploration."

INVEST IN TOURISM & HOSPITALITY

YOUR GATEWAY TO INVESTMENT IN THE HORN OF AFRICA

TOURISM & HOSPITALITY OPPORTUNITIES

1- Coastal Resorts & Beachfront Hotels

Develop eco-friendly resorts and lodges along Berbera, Zeila, and Maydh coasts, catering to both regional and international tourists.

2- Heritage & Cultural Tourism Centers

Establish museums and heritage parks at Las Geel, Xiis, and Zeylac to preserve history while attracting cultural and educational tourism.

3- Eco-Tourism & Mountain Lodges

Build sustainable lodges and guided hiking trails in the Golis Mountains and Cal Madow range for nature and adventure travelers.

4- Desert Safari & Nomadic Experience Camps

Create desert eco-camps and camel caravan tours offering authentic Somali nomadic experiences.

5- Conference & Business Hotels

Invest in modern hotels and convention facilities in Hargeisa and Berbera to serve the growing demand for business tourism.

6- Tourism Infrastructure & Transport Services

Develop tour operations, airport shuttles, and regional travel agencies to improve accessibility to tourism destinations.

7- Hospitality Training & Culinary Schools

Establish institutes to train tour guides, hotel staff, and chefs, strengthening local capacity and service quality across the sector.
